EC-CERTIFICATE OF FACTORY PRODUCTION CONTROL

2006-CPR-0001

According to Regulation (EU) No. 305/2011 of the European Parliament and of the Council dated 09 March 2011, in order to comply with the Member States' regulations and administrative measures laying down harmonised conditions for the marketing of construction products, it has been established that the following construction products,

Product name	European Standard	Scope
Aggregates (sand, gravel, sandy gravel, crushed sand, crushed gravel)	EN 12620:2002+A1:2008	Aggregates for concrete
	EN 13043:2002	Aggregates for bituminous mixtures and surface treatments for roads, airfields, and other traffic areas

LAJTA-Kavics Bányászati Kft.
(9232 Darnózseli, Külterület 032/1 hrsz.)
Darnózseli kavicsbánya üzemében
(9232 Darnózseli, Külterület 032/1 hrsz.)

has the initial type-testing and the manufacturer operates a documented factory production control system to an attestation of conformity system 2+. QM System Kft. carried out initial inspection of the manufacturing plant and the factory production control, the continuous surveillance, assessment and evaluation of factory production control is carried out by this notified body.

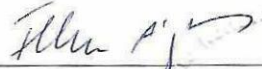

The certificate confirms that the factory production control complies with the requirements of **EN 13043:2002; EN 12620:2002+A1:2008** standards requirements detailed in Annex ZA.

The issuing date for the certificate of conformity was **07 July 2008**. Present certificate will be valid until the relevant harmonized technical specifications or the production conditions in the factory or the factory production control system is not modified significantly. This certificate entitles the manufacturer to draw up the declaration of performance and affix the CE marking in accordance with Annex ZA to the referenced standards for the products listed in Annex 1.

This certificate is valid together with its Annex 1.
